

# RCRA Hazardous Waste Containers

- **RCRA Hazardous Waste Label**  
Meets EPA satellite accumulation labeling requirements
- **Toxic & Flammable Labels**  
Additional labels included in each case to designate contents.
- **Tamper Evident Label**  
Helps deter tampering during final disposal.
- **PGII Rated**  
Meets DOT requirements for transport without secondary packaging.
- **Leak-Resistant Gasket and Absorbent Pad**  
Help contain liquid contents should a primary container break.

# RCRA Hazardous Waste Containers

*Developed to segregate hazardous pharmaceutical waste under the Resource Conservation and Recovery Act (RCRA). Black with white lids, they are easily distinguished from other disposal containers. Each has a leak-resistant gasket and absorbent pad to help contain liquid contents, should a primary container break. Locking floor carts offer point-of-use placement and enhance security, stability and mobility.*

Code No.	Description	Case Quantity
