

Soaps & Lotion

MedicaScrub™

Antimicrobial Hand Soap

MedicaScrub™ uses triclosan to achieve the antibacterial efficacy required by dental and health care professionals. It is effective against E. Coli, Staphylococcus Aureus and Serratia Marcescens. It's high-foaming dispenser produces a rich foamy lather. Aloe Vera, Lanolin and Vitamin E keep your skin soft and moist. The fresh mango scent makes MedicaScrub™ pleasant to use even with frequent washings. No more dry itchy skin and harsh odors from chemical soaps when you use MedicaScrub™.

- Aloe Vera, Lanolin and Vitamin E nourish and revitalize leaving your hands feeling soft & moist
 - Triclosan achieves effective anti-microbial efficacy needs of dental and healthcare professionals
 - Rich foamy lather has a fresh mango scent
 - Foaming dispenser saves money by allowing more washes per ounce
- C001-01 – 18 oz with dispenser
 - C001-02 – Gallon refill

MedicaSoft™

Skin Conditioner

MedicaSoft™ skin conditioner is designed for healthcare and dental professionals who experience dry, irritated skin due to frequent hand washings. MedicaSoft™ contains Collagen, Aloe Vera, Vitamin E, Lanolin and other smoothing emollients to nourish, soothe and soften the skin. The new Green Apple fragrance is

pleasant and mild. Unlike other lotions, MedicaSoft™ makes glove donning easy after use.

- Great for dry skin due to frequent hand-washing and glove usage
- Contains Collagen, Aloe Vera, Vitamin E, and Lanolin
- Nourishes, soothes and softens your hands
- A pleasant and mild Green Apple fragrance
- Makes gloves go on easier

- C002-01 – 16 oz pump bottle
